

DECONSTRUCTION NETWORK TO PROMOTE BUILDING MATERIALS REUSE AT GO GREEN EXPO IN LOS ANGELES - JANUARY 23 TO 25

Los Angeles, CA – January 21, 2009: Deconstruction & Building Materials ReUse Network, Inc. ([Deconstruction Network](#)) is a nonprofit dedicated to educating and empowering homeowners and professionals on deconstruction and the reuse of valuable building materials. The organization will be exhibiting at [Go Green Expo](#) Los Angeles January 23-25 to introduce its comprehensive deconstruction and building materials reuse solutions to attending homeowners, building industry professionals and environmentally-minded community members.

WHO: Deconstruction Network with Special Guest [Jared Walker Dostie](#) of HGTV's "Summer Showdown" & "Rate My Space"

WHAT: Go Green Expo Los Angeles – **BOOTH #308**

WHERE: Los Angeles Convention Center – South Hall J
1201 S. Figueroa Street
Los Angeles, CA 90015
www.lacclink.com

WHEN: **Friday, January 23 (10 am – 5pm)**
Saturday, January 24 (10am – 6pm)
Sunday, January 25* (10am – 6pm)
**Jared Walker Dostie of HGTV's "Rate My Space" will be signing autographs from 12pm – 2pm on Sunday 1/25*

WHY: Deconstruction Network is creating simple solutions for homeowners and professionals to increase waste diversion and build community awareness of positive and rational alternatives to traditional, wasteful demolition practices. Items salvaged, which may include doors, windows, appliances, cabinetry, brick and roofing tiles, as well as rough framing lumber, are donated to partner non-profits including Habitat for Humanity and Corazon. An average 2,000 square foot home may yield as much as 85% in reusable, recyclable materials. Jared Walker Dostie, celebrity carpenter and reclaimed furniture designer, will be greeting consumers and signing photos at the booth on Sunday from 12pm to 2pm.

About Deconstruction & Building Materials ReUse Network, Inc.

Deconstruction Network is an environmental public benefit corporation 501(c)(3), whose mission is to promote and empower deconstruction practices and to grow a greater reuse network for quality building materials through partnerships with complimentary operations and organizations. The Deconstruction Network currently serves Northern and Southern California with partnerships that benefit Habitat for Humanity and Corazon.
